“When I first moved into the bachelor suite, I had nothing. I was getting discouraged and depressed, your program made a home for me. I am so happy! Now, I feel more stable, happy, motivated, I have better self esteem and am more positive!”

- New Start Program Recipient

Every year, WIN touches approximately 1,000 women's lives by providing programs to support them along their journey between crisis and wellness.

Items that are NOT APPROPRIATE for our programs or stores:

There are a few items that we ask our donors to recycle using the alternatives listed below. This allows us to save money on the costs of disposal and recycling which means we can use it for our programs instead. We cannot accept Items that are damaged, soiled, rusted, incomplete, excessively worn or in need of repairs/cleaning.
